

Hello IN Region CCCA Members,

The upcoming event next Sunday September 20 really is proving to be **“Something Different”**! As of now we have at least 13 Classics and close to 40 members who are planning to attend. Everyone will be driving or riding in a Classic. That’s never happened since we have been in the club. There is still time to join us and we hope you will. Members are coming from Tennessee, Ohio, Michigan and Indiana.

Don’t forget you may trailer your Classic here and there is plenty of trailer parking at the farm which is just ¼ mile away from our home. The Hampton Inn in Greensburg is just five miles away if you come early or stay late and is preferred over other local hotels. Phone 812-663-5000.

We can’t do Madison and Clifty Falls State Park justice with just a few hours to visit. You might consider staying in Madison for an extra day and enjoy the beautiful river homes and Clifty Falls Park which is just a couple miles down the River.

We have said there will be a surprise and we can’t keep it a secret any longer. Madison is known for it’s annual Hydroplane Races on the Ohio River. While the normal late model races are on a different day than our visit there will be Vintage Hydroplane Races next Sunday. Carol has made arrangements with the event coordinator for a special parking area right next to the river where we can showcase our Classics to the crowd and watch the activities on the water. Classic Cars and Classic Boats! Don Shuck, our Region Director, commented that he might see some of the same hydroplanes that he saw there when he was a small boy! You will need to throw in some folding chairs as seating will be limited.

Are you worried your Classic might conk out and leave you stranded. Don't worry! Our son Robert will be on standby with our truck and trailer (with winch) to make a CCCAAAA retrieval. That's one less excuse you have not to attend.

Please make a strong effort arrive at our home at 9:00 for brunch. We must head to Madison by 10:00 or before as we have a very full day planned. Our address is 6969 West County Road 100 North, Greensburg, Indiana. We are happy to email written directions from N-E-S-W if you need them.

Packing a picnic lunch may be your best bet, but good, reasonably priced box lunches are available at the lodge which is near our Shelter house. You will need to call ahead a couple hours before pickup. Phone 812-265-4135. Lunch is at 2:00.

For more information call Larry at 812-593-2701 or Carol at 812-593-1325.

Social distancing will be the order of the day and hand cleaner and wipes will be plentiful.

We are excited about the trip and look forward to seeing you and your Classic!

Larry and Carol Pumphrey
